

Static Import

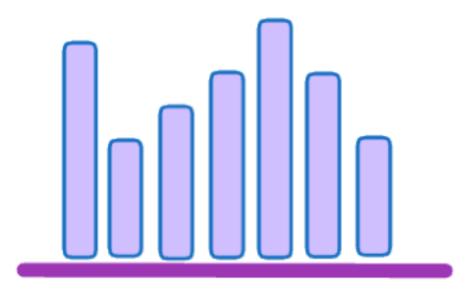

```
import FilterByLabel from './FilterByLabel'
import DateRange from './DateRange'
import GraphStylePicker from './GraphStylePicker'
```

const TimeTrackingApp = () => {...}

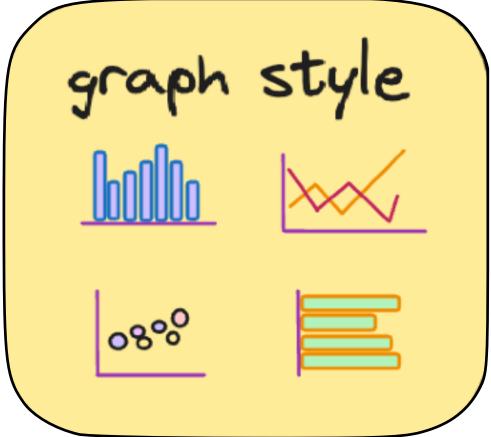

Tags Goals

16/Oct/-/22/Oct/

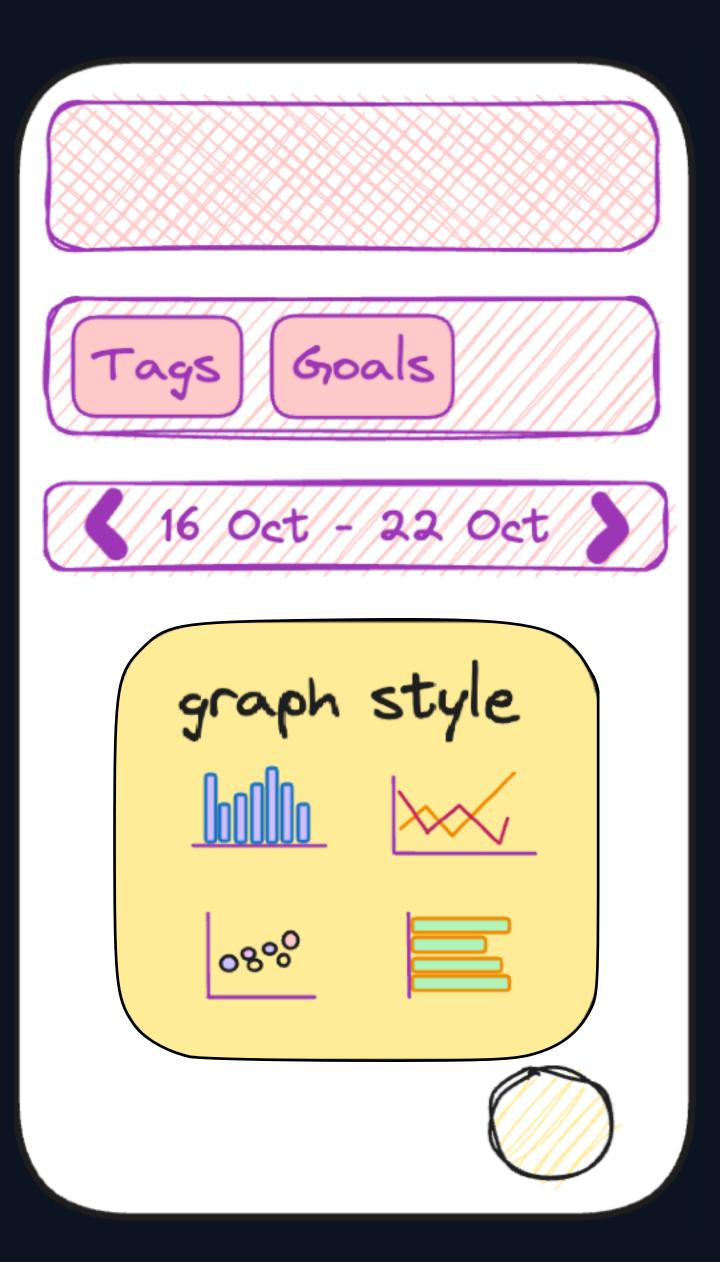

Static Import

```
import FilterByLabel from './FilterByLabel'
import DateRange from './DateRange'
import GraphStylePicker from './GraphStylePicker'
const TimeTrackingApp = () => {...}
```

Dynamic Import

```
import FilterByLabel from './FilterByLabel'
import DateRange from './DateRange'
const GraphStylePicker = React.lazy(() => import('./GraphStylePicker'))
const TimeTrackingApp = () => {
  return (
    <React.Suspense fallback={<div>Loading graph styles..</div>}>
      {isGraphStylesOpen ? <GraphStylePicker /> : null}
    </React.Suspense>
```
